(65) 84680145

Executive Summary

Dynamic and results-driven marketing leader with over 15 years of experience in APAC regional marketing, specialising in Go-to-Market (GTM) strategies, demand generation, and cloud business management. Proven expertise in leading cross-functional teams, driving pipeline growth, and executing innovative marketing campaigns across diverse markets. Adept at building strategic partnerships with SaaS, Cloud, and OEM partners, and engaging with C-suite stakeholders to deliver impactful business outcomes. Google-certified professional with a passion for leveraging AI and cutting-edge technologies to transform marketing workflows and drive business innovation.

Experience

Advanced Micro Devices, Inc. (AMD)

May 2020 - Present

Head of APAC Server & Cloud Marketing

- **Team Builder and Talent Developer** : Established and led the AMD Server & Cloud Region team which oversees & manages the APeJ Country Field Marketing Team,
- Successfully led and mentored a team of five exceptional marketers, transforming Server & Cloud marketing in the APJ region.
- **Strategic Leadership of Server, DC GPUs & Cloud GTM** strategies for AMD's server and cloud business across APAC, aligning with global objectives while addressing local market nuances across Channel, enterprise segments. Drove YoY Marketing Brand Growth (+20%) across KR, ANZ with strategic F1/Mercedes brand campaign.
- **Data-Driven Decision Maker for APAC marketing budgets of over \$8~10M/year**, ensuring efficient resource allocation and maximising ROI.
- **Performance Focus, Led demand generation campaigns** for Comm Client PCs, Server and Cloud, including digital marketing, ABM, and PR, resulting in \$203M pipeline growth with >60% closure rate.
- **Data-Driven Solutions**: Designed and implemented a structured marketing-to-sales attribution process using SFDC CampaignID to accurately track marketing ROI. Developed a Power BI dashboard for the APJ region to visualise MQL-to-pipeline and deal conversion metrics. Trained over 50 Sales BDEs on the lead acceptance process. The APJ Marketing Attribution Project and dashboard were later adopted globally.
- **Drove alignment with WW BU, Regional Sales Leaders and pre-sales teams** to create customer growth plans, ensuring alignment with business priorities and revenue goals.
- **Managed Alliance partnerships** with ISVs, OEMs, and CSPs (e.g., Dell, HPE, Lenovo, AWS, Google, Oracle, and Microsoft), driving co-marketing initiatives and joint GTM motions.
- **Championed AI and generative technologies** in marketing to enhance marketing workflows and campaign effectiveness. (Video, Live Translation, Creative Assets)
- **Examples: Execution Excellence**: Successfully led multi-city Partner Summits across APeJ markets (Australia, Japan, Korea, Thailand, and Indonesia), engaging over 1,500 customers. These events drove key product launches, business pipeline (ROI 6.5x) and strengthened partnerships collaboration with increase run rate YoY
